

2010-2011 TUITION STATEMENT & AGREEMENT

I understand that enrollment in the K.U.C.I. Preschool Program is contingent upon completing the required paperwork and payment of the NON REFUNDABLE Registration fee. This fee is used for supplies throughout the year and is NOT THE SEPTEMBER TUITION PAYMENT. Monthly tuition payments are the same each month regardless of holidays, inclement weather or absences. Tuition is based on a yearly fee and is broken down into nine equal payments to be paid from September through May. KUCI offers a 5% discount for those who would like to pay tuition for the entire school year. This is due by September 10, 2010.

Tuition Payment Policies:

1. Tuition is due on the first of each month. You will ***NOT*** receive an invoice for Preschool tuition.
2. A late fee of \$20.00 will be assessed after the 10th of each month if arrangements have ***NOT*** been made.
3. If your account is 30 days past due, your child may be disenrolled at Director's discretion and action will be taken to recover payment.
4. If we receive a returned check, there will be a \$20.00 charge added to your account. After the second returned check, no more checks will be accepted – you will be required to pay in cash.
5. Payments can be made by check or cash. If you are paying in cash, please have exact amount. Checks can be placed in the tuition box outside the office. Please do not place cash in the box. Please retain your receipt for cash payments.
6. Account balances must be “zero” at the end of each month. Balances will not be carried over.
7. Two weeks written notice must be given to withdraw a child. With such notice, tuition will not be charged after the date of withdrawal. However, if no notice is given, 2 weeks tuition charge is to be billed.

*There are no refunds for disenrollment for non-payment.

Construction Zone (extended care):

Construction Zone is available by reservation only on a “space available” basis at a rate of \$4.00 per hour. You will be invoiced at the end of the month and you may add this to your preschool tuition. Signature on this financial agreement binds you to your extended care financial agreement as well. Please see tuition payment policies.

Full Time Preschool and Construction Zone

Children attending Preschool and Construction Zone may qualify for a reduced rate if they are on the premises a minimum of 8 hours per day 5 days a week. The cost is \$600.00 per month, which includes Preschool tuition and ensures the child a permanent space in the Construction Zone program. Registration for the Full Time Program is \$135.00. This full-time rate takes into account a reduced charge for Construction Zone. If your child's schedule changes to less than full-time, reevaluation of payment will be discussed. ***YOU CANNOT CHANGE FROM MONTH TO MONTH.***

I understand and agree to pay any attorney's fees and costs involved in collections of any delinquent amounts owed to K.U.C.I. under this agreement. I am signing this agreement free from any duress or coercion and of my own free will. I agree that K.U.C.I. and its Board have the right to discharge any child for the behavior of a child, parent or guardian that in the staff's and/or Board's opinion endanger the health, safety and welfare of the other children or staff or detrimentally interferes with the learning environment and/or the Christian mission and atmosphere that K.U.C.I. is established to promote.
